CONVENTION GUEST AUTHOR

Ashley Poston

Ashley Poston loves dread pirates, moving castles, and airy night skies. She graduated from the University of South Carolina with a BA in English, where she really just played a lot of video games and wrote fanfic. After college, she worked at Kodansha USA and Bloomsbury Publishing. But alas, even the bright lights of New York City couldn't keep her away from old country roads, so she moved back home and — luckily — became the author of quite a few books. Her books have been on the Indies Next list multiple times, and have been featured in Teen Vogue, Seventeen, Entertainment Weekly, Hypable, and BuzzFeed. She was also a Goodreads Choice Finalist in 2017 for Geekerella. When not writing, she can usually be found playing Dungeons and Dragons and... still writing fanfic. She lives in South Carolina with her bossy cat, and they are firm believers that we're all a bunch of weirdos looking
